## Job Posting

# Junior Video Editor (Summer Student)

### About Divine Renovation

**Bringing hope to priests, life to parishes, and people to Jesus** | At Divine Renovation, we provide coaching and tools to help parishes escape maintenance mode, reclaim their purpose and get back on track for mission. Through our coaching, events, and resources, we accompany priests and parish leaders globally – with incorporated offices in Canada (Global office), the US, the UK, Australasia, and Deutschland.

### About the Role

We are looking for a creative and motivated **Junior Video Editor** to join our team for the summer. In this role, you will work closely with our Media Director on a range of digital media projects, with a strong focus on producing engaging tutorial and support content.

This is an excellent opportunity for a student pursuing a career in video production or media arts who wants hands-on experience in a collaborative and fast-paced environment.

### Key Responsibilities:

- Edit video and audio content, with a focus on tutorial-style productions
- Contribute ideas and concepts for new video projects and supporting materials
- Assess and improve remote webcam presentations (lighting, composition, and sound)
- Provide remote production support for online events (basic IT and AV assistance)
- Create visual summary graphics to enhance video presentations
- Review, organize, and export B-roll footage to a stock library
- Tag and catalogue media assets for efficient access and reuse

### What You'll Gain:

- Hands-on experience contributing to real-world media productions
- Opportunities to collaborate across departments and support diverse projects
- Enhanced skills in media organization and digital asset management
- Improved time management, scheduling, and team communication skills
- Exposure to leadership development and problem-solving in a production environment

### What We're Looking For:

- Must be currently enrolled in (or planning to enrol in) full-time studies for Fall 2026 at an accredited college or university
- Studying Video Production, Applied Media & Communication Arts, Radio Television Journalism, Screen Arts, Media Arts, or Fine Arts (Film focus preferred)
- Permanent resident of Nova Scotia or have lived in Nova Scotia for at least six months prior to the start date
- Strong organizational skills and attention to detail
- Ability to take direction and work independently in a fast-paced environment
- Creative mindset with an interest in digital storytelling

**Systems and Tools Experience (Nice to have):**

- Experience with Adobe Creative Suite (especially Premiere Pro)
- Familiarity with other video editing software and willingness to learn
- Access to a personal computer capable of running Adobe Premiere

**How to Apply:**
